

## HOW TO BORROW AN NCCV BIKE

### Northern Corridor Community Volunteers - NCCV

#### TERMS AND CONDITIONS OF BIKE LOAN SCHEME

**These hybrid bikes are available thanks to a partnership between NCCV and Chryston Community Council.** The free bike loan scheme gives community members the opportunity to try, discover and get interested in cycling. By completing our Loan Agreement Form you agree to be bound by the following terms and conditions in relation to the loan of the Bike (as defined below) by NCCV to you and you should read these terms and conditions carefully:

1. You must provide photo identification on the day of hire (without exception). Accepted forms of I.D are UK Driving Licence and Passport. In addition to this a proof of address I.D. is also required, either a current household bill or official letter in your name.
2. A deposit of £20 is required when taking the Bike. The £20 will be returned upon return of the Bike in a satisfactory condition. You and NCCV acknowledge that the payment of such deposit and the loan of the Bike on these terms and conditions shall be sufficient consideration to constitute a legally binding agreement. We will deduct from the Deposit the cost of repairs, *cleaning*, loss or damage of accessories.
3. You must collect the Bike on or after the Issue Date (defined below) and return it in good condition on or prior to the Return Date (see below) to the NCCV Community Garden Site at Lorn Avenue Chryston (the "Loan Period"). You will be held financially liable for any loss or damage to the Bike. It is recommended that you add the Bike to your household insurance or take out a cycle cover policy for the duration of the loan period.
4. You shall not sell, charge assign, lease or otherwise dispose of the Bike.
5. You must always lock the Bike to a fixed object when unattended. Even when locked it is your responsibility to protect the welfare of the Bike and not leave it unattended for extended periods of time.
6. You will not ride the Bike or permit the Bike to be ridden whilst you or the rider is unfit through drink or drugs. You must use the Bike in accordance with the Highway Code and all applicable laws and bylaws. You shall pay on demand all fines and court costs including administrative fees for any violations assessed against you and any other rider of the Bike during the Loan Period.
7. As the borrower, you acknowledge that any cycling activity involves a certain element of risk. You are advised that any person using the Bike does so entirely at their own risk. NCCV does not accept any liability for personal injury, loss or damage to property beyond their legal obligation.
8. The Bike and associated equipment will be inspected and maintained between each loan period by NCCV. They will also issue and adjust the Bike to you before the Loan Period begins, however it is your responsibility to ensure that the Bike is in proper working order before you use the Bike; this includes brakes, steering, tyres, drive shaft including pedals and any extras fitted such as child seats. You must not ride the Bike or allow it to be ridden if it is faulty or defective. If any problems are noticed then this should be reported to Claire Williams on 07905909797 immediately and the Bike will be repaired.
9. Helmets are available for every loan if required. We strongly recommend everyone wears a helmet. By signing the helmet disclaimer on the Loan Agreement Form, you assume full responsibility for any accident, injury or death which should occur as a result of taking the decision not to wear a helmet. Children under 12 years old must wear a helmet when using the Bike.

10. By signing the Loan Agreement Form you are declaring that you and any intended rider:

- (i) can ride a bike proficiently and safely;
- (ii) are in good health;
- (iii) have a good standard of eyesight; and
- (iv) are not suffering from any medical condition or disability which is likely to adversely affect the normal control of the Bike.

11. You and NCCV expressly agree for the purposes of the Contracts (Rights of Third Parties) Act 1999 that they do not intend any other person to be able to enforce any term of this Loan Agreement.
